

RUG BRAIDING INK

This newsletter is dedicated to the art of rug braiding and designed to be both informative and instructional. In it you will find a variety of instructions for braiding techniques, rug patterns and designs, helpful hints, upcoming events, a photo gallery and just about everything else to do with rug braiding.

RUG BRAIDING INK - Your connection to the world of braiding

The inspiration for new projects often comes from seeing what others have done. I am pleased to announce that included with your subscription to Rug Braiding Ink Newsletter will be your membership to a new program called "Rug Braiding INK - Photo Share". This program is intended to be a means for sharing photos of your braided rugs and other braided projects *through_email*. All are encouraged to participate. This is *not* a competition and any project photo ranging from the simplest to the complex can be shared as long as it is related to braiding. Additionally this will provide a means of introducing yourself to other braiders through photos of your work and a great way for all of us to connect. Simply send your photos to me and I will do the rest.

Please Note: The "Photo Share" program is solely intended for sharing photos via email and is a service provided in addition to the newsletter. The newsletter will still come to you in paper form through the US postal Service and will still include the color Photo Gallery for those who do not have email.

If you are interested in subscribing to this newsletter, Please complete the form on the next page and mail it to the address listed.

Please note: To make things simple I keep everyone on the same subscription period. When you subscribe in the middle of the subscription period you receive the issues that have already been published for that period and you will receive the remaining issue(s) when they are published. The cost to subscribe for four issues is listed on the subscription form on the next page. Back issues are available for at additional cost.

Thank you and Happy Braiding,
Donna
